A signed copy of this amendment must be submitted with your Solicitation Response. This Solicitation is amended as follows:

1. The solicitation is amended to include Arizona Department of Juvenile Corrections (ADJC) to provide Clinical Laboratory services under the resultant contract. The Contractor shall provide tasks and requirements specified in the Scope of Work for ADJC. The following sections have been revised:

Special Terms and Conditions
Scope of Work
Price Sheet

2. The Special Terms and Conditions is amended to include ADJC's additional Terms and Conditions.

29. Safeguarding of Youth Information (ADJC). The use or disclosure by any party of any information concerning a youth for any purpose not directly connected with the administration of the Department's or the Contractor's responsibilities with respect to services provided under this Contract is prohibited, except by written consent of the Department, or the youth's legal representative. The Contractor agrees to abide by present and future federal and state laws and regulations in maintaining the confidentiality of youth files and records. Upon request, the Contractor shall produce a legible copy of any or all such records. All such records shall be retained for a period of five years after Contract termination.

30. Contraband (ADJC). As defined by A.R.S. § 13-2501, "contraband" means any dangerous drug, narcotic drug, intoxicating liquor of any kind, deadly weapon, dangerous instrument, explosive or any other article whose use or possession would endanger the safety, security, or preservation of order in a correctional institution or any person therein. (Any other article includes any substance which could cause abnormal behavior, i.e. Marijuana, non-prescription medication, etc.) Any person who takes into or out of, or attempts to take into or out of, a correctional facility or the grounds belonging to or adjacent to a correctional facility, any item not specifically authorized by the correctional facility shall be prosecuted under the provisions of the A.R.S. § 13-2514, et. seq. All persons, including employees and visitors, entering upon these confines are subject to routine searches of their person, vehicles, property or packages.

31. Tobacco Free Facility (ADJC).

The Department is dedicated to providing a health and productive work environment for our employees and youth. Due to the hazards of smoking and exposure to second hand smoke and state law prohibiting tobacco use at safe school sites (secure facilities), the Department shall protect our employees and youth from the dangers of smoking in compliance to ARS § 36-601.01, 02.

All Department Contractors, sub-contractors and vendors shall not have tobacco products inside Department secure facilities. All Department Contractors, sub-contractors and vendors shall not use tobacco products on or about Department secure facility properties which include the parking lots. Tobacco products include:

Cigarettes;
Cigars;
Smokeless tobacco;
Chewing tobacco;
Snuff.

3. The Scope of Work is amended to include ADJC's Introduction, Background and Billing Information.

1. Introduction:

The Arizona State Veteran Home (ASVH) and the Arizona Department of Juvenile Corrections (ADJC) are seeking a Contractor for Clinical Laboratory Services. Services are for veterans and their spouses residing at the Arizona State Veteran Home and juveniles who reside in one or more ADJC secure facility. ASVH and ADJC herein referred to as "Department" intend to establish a contract for the materials or services as listed herein.

2. Background:

Arizona Department of Juvenile Corrections (ADJC)

The Arizona Department of Juvenile Corrections (ADJC) is responsible for juveniles adjudicated delinquent and committed to its jurisdiction by the county juvenile courts. It is accountable to the citizens of Arizona for the promotion of public safety through the management of the state's secure juvenile facilities and the development and provision of a continuum of services to juvenile offenders, including rehabilitation, treatment and education. The Arizona Department of Juvenile Corrections, Division of Programs and Institutions uses clinical laboratory services for our secure facility juveniles.

Target Population:

Youth between the ages of 8 and 18, who are under the jurisdiction of the Department of Juvenile Corrections, reside in one or more of the Departments' operated secure care facilities. The following lists the current Department-operated facilities which house medical units:

Adobe Mountain Facility (AMS)	Black Canyon Facility (BCS)	Southwest Regional Complex (EPS)	Catalina Mountain Facility (CMS)
2800 W. Pinnacle Peak Rd	24601 North 29 th Avenue	26701 S. State Route 85	14500 N. Oracle Road
Phoenix AZ 85027	Phoenix AZ 85027	Buckeye AZ 85326	Tucson AZ 85737

4D. Billing:

For ADJC, the Contractor shall invoice the health unit facility where services were rendered. On each invoice, clearly indicate patient name, date of pick-up, date of test results, test(s) performed and contract price.

5. Notices, Correspondence, Reports, Invoices and Payments:

Arizona Department of Juvenile Corrections (ADJC)
